Dear Students and Parents,

Welcome back!

It's been a year that none of us will ever forget. Let's hope that we can all now move forward with our lives and get back to some sort of normality.

I am planning to do a special lesson during the Whitsun half term holidays, I will give you the details of that next week. I am also planning a summer holiday course, again I will give you more details next week.

There will also be a Mock Black belt Dan grading, this will for all 1st Kyu's. I know I am being repetitive but I will give out the details in the next week.

As you are aware your karate licence needs renewing every year. But after the year that we have all had, I have decided to give everyone a free year's extension. All you need to do is to bring in the licence and I will do the rest.

During lockdown I was teaching private lessons online. It really surprised me how well it worked. I will still be teaching this way, now that we are coming out of lockdown. So if you want to learn your Kata or blocks in your own home (or even if you've missed lesson and want to catch up) this is a great way to do it.

The cost is just £6 for a 30 minute private online lesson. If this is something that you're interested in, please contact me.

You may be aware that attached to your licence is a blue fob. This is so that from now on you can tap in and tap out of lessons. This will enable me to give out prizes when you complete your 25th and 50th lessons.

Should you need a new Karate suit can I remind you that I do sell them. They are £15 for any size up to 150cm and £20 for any bigger size. For the next three weeks they come with a free gum-shield, which is worth £2.50.
